To whom it may concern

RE: 1 2 Rely On

1-2-Rely-On have been Saffrons only Chimney sweeping contractor for the past 4 years. During this time we have found their work to be to the absolute highest standards and professionalism, constantly receiving praise from our tenants for the cleanliness of their work and exemplary customer service.

I myself have always found Bob Russell to be extremely helpful, professional and efficient - making our chimney sweeping contract remarkably easy to manage.

The working relationship between Saffron and 1-2-Rely-On is very strong and we consider it to be a great asset to us. Having renewed our contract for the coming year we look forward to many more years of successful partnering.

Yours sincerely
